

Exquisite form. Innovative function.

CABINETRY INSTALLATION AGREEMENT 2016

JWH strongly recommends that we handle the professional installation of our custom cabinetry. Our Installers have been trained by JWH and our Millshop to provide the best possible result. Our JWH Installation package extends to the life of your cabinetry with free labor related to any cabinetry warranty work, as well as one free appointment for touch ups during the first year.

JWH Responsibilities:

- . "Sign off" on final room dimensions, including windows, doors and any obstacles
- . Verify plumb and level walls, ceiling, and floors
- . Meet "tailgate" delivery and unload cabinetry into job site
- . Inspect cabinets for damage or flaws at time of delivery
- . Install cabinetry per JWH drawings and Production Shop Drawings
- . Verify that all doors/drawers are operating properly after installation
- . Install panels on appliances (all appliances must be onsite at time of installation) **No appliance hook-ups*
- . Install hardware on cabinets (all hardware must be onsite at time of installation)
- . Install farmhouse sink (if required) in preparation for countertop templating
- . Install all mouldings on cabinets per plan (if supplied with cabinets)
- . Install base moulding on cabinets AFTER one coat of stain and poly on floors (if applicable)
- . Touch up of nail and screw holes with custom paint/stain after Installation
(No plumbing, electric, appliance or other cabinetry installation can be performed by our installers.)

Client/Contractor Responsibilities:

- . Job site must be secure, weather tight and climate controlled
- . Floors must be installed, but not fully finished
- . Sheetrock must be primed and/or painted
- . **Contractor must provide plumb and level floors, walls and ceilings**
- . Protect cabinets after installation

JWH Cabinet Installers have the right to postpone installation if the above conditions are not met.

Installation Cost: 20% final cost of cabinets; NO SALES TAX ON CABINETRY IF INSTALLED BY JWH.

Please return \$1500 deposit with this Agreement to accept JWH Installation; balance is due upon delivery of cabinetry.

Note: this deposit is not refundable.

To Accept JWH Cabinet Installation:

JWH: _____

Client: _____

Date: _____

Date: _____

Check #: _____

To DECLINE JWH Cabinet Installation: *must be signed by Client and Contractor

If you choose NOT to have JWH handle the installation of your cabinetry, ALL of the above details are the full responsibility of your contractor. Detailed drawings and instructions will be provided. If JWH is requested to answer questions, supervise and/or inspect the contractor installation, this time will be billed at \$125/hour. Future cabinetry adjustments, field visits, labor for warranty work, and touch ups also be billed hourly by JWH.
